Group Seating

Versatile, Economical, Easy to Use and In Stock!

A very economical choice for Auditoriums; create rows of any length with or without tablets. Perfect for busy Waiting Areas; easy to clean vinyl wipes up at the end of the day, and linked seating prevents shifting of the furniture. Use ReadyLink for Classrooms, Training Rooms, or Seminars.

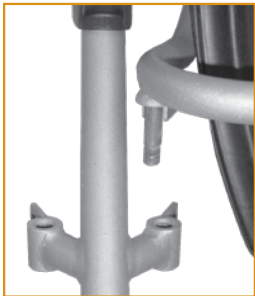

Quick ~~No Tools~~ Installation

Step 1 Stand each leg upright and lift seat unit into position.

Step 2 Insert bolts into connector joints.

Step 3 Thread cap nut into bolt end and tighten.
