ReadyLink™

ReadyLink seating is an affordable option for any busy waiting area.

Assembly is quick and easy – no tools required means no expensive installation costs.

Frames are strong steel painted silver; seats and backs have tough poly shells.

Textured easy to clean vinyl padded upholstery in your choice of four colors.

Seats are spring-loaded to lift when not in use. Great for high traffic areas.

Tablets make it easy for users to take notes or fill out forms. These optional tablet writing surfaces swing down when not in use.

ReadyLink can be bolted to the floor if desired to prevent all shifting. The feet have pop-outs to accept bolting hardware.
