

S⁵ Track Length Worksheet

Instructions:

- 1) Locate your desired total track length in one of the **Total Track Length** columns.
 - 2) Read across to determine the number of Large (SMT100) and Small (SMT50) Middle track pieces required for that length of track.
 - 3) Check the **# of 18" Units** or **# of 24" Units** columns for the number of 18" or 24" units that will fit in that space.
- Note that you must also purchase one set of End Tracks (SFRT100, 4 pieces). Each piece of End Track is 39 1/3".
